## Email Features

- Free 24/7 Toll-Free Technical Support
- Unlimited High Speed Internet Access
- Local Speed Test

## Network/Wireless Maintenance

**\$4.95/month**

*This plan includes repair and replacement of faulty inside wiring and/or modular jacks due to normal wear and tear, defective wireless router replacement and all service charges associated with a TriCounty Broadband Technician coming to your home or business to diagnose issues found within company-provided equipment. This service is required unless customer purchases a modem and wireless router.*

## Maintenance Enhanced **\$5.00/month**

*Provides a managed Wi-Fi solution. Includes one access point and equipment placement costs (Network/Wireless Maintenance required).*

## Wireless Routing

- Advanced Wireless Router
- \$75 Installation fee
- Set-up with encryption

Certain restrictions apply. Availability of speeds may vary due to location of service. Monthly plans listed above are the download and upload capability of speeds. Due to variances in telephone lines, customer equipment, internet traffic, etc., we do not guarantee any connection speeds. Service Agreement required. An 'Early Cancellation Fee' will be assessed if the length of Service Agreement has not been met. Pricing is subject to change.
